

Workers' Educational Association

# Nassington

## Branch

### From Barber Surgeon to the NHS: the history of medicine.

During the 19<sup>th</sup> century medicine in Britain was transformed. Training became standardized, doctors were regulated and crucial advances were made in knowledge and technology. These developments prepared the way for the establishment of the NHS in the mid 20<sup>th</sup> century.

**Tutor: Dr. M Muncaster**

**Tuesday 2 to 4 pm, 7 week course starts 11<sup>th</sup> October 2016**

**At Nassington Village Hall, Church St, Nassington PE8 6QG**

**Fee: £53.90, or FREE (if on income related benefit)**
